

NATS Copyright Policies

NATS encourages its members, their students, accompanists and the general population to become educated about, and to comply with, all applicable copyright laws. Reproduction of a copyrighted work constitutes copyright infringement unless a license to reproduce such work has been obtained, the use is considered fair use, the work is in the public domain, or a valid exception to copyright infringement exists.

NATS requires students, teachers and other participants in NATS affiliated events, auditions and competitions to affirm compliance with the NATS Copyright Policy, and to use only authorized reproductions of copyrighted works.
